## **ANTI - SLAVERY POLICY**

Air Brake Connections is committed to respecting, and acting in a manner which avoids infringing on human rights, and will actively seek to ensure we are not complicit in human rights abuses committed by others (whether this be modern slavery, forced labour or human trafficking within our supply chain).

Therefore Air Brake connections embraces the aims and ideals of the Modern Slavery Act 2015, and have been on the journey to find out how to analyse and then implement its intentions throughout our business and the extended supply chain. We remain fully committed to ensuring that there is no slavery or human trafficking within our supply chain or in any part of our business, and will continue to commit to the fight against Modern Day Slavery throughout the UK.

As a leading supplier in the Trailer manufacturing market we understand the importance of ensuring that the highest professional standards are met at all times.

Air Brake Connections is located in the UK and similarly are the majority of the manufactures which supply our business and are highly trusted providers and we work closely to monitor the companies in Europe with regular meetings and on site reviews, some of which have been suppliers for 25 years plus.

We strive to foster long term relationships with all our suppliers and in every way avoid making demands of our suppliers that might leads them to violating human rights.

**Employees & Training:** We have communicated our Modern Day Slavery Policy to all the workforce, providing them with information how to identify and report potential slavery within the workplace and also every day life. All new employees are also educated in the same manner and are made aware the importance role that they playing identifying in signs of breaches of the Act with our business.

Slavery and human trafficking are serious crimes, Air Brake Connections Limited are pleased to submit this statement outlining our commitment to the aims of the MSA. Our annual review of the MSA satisfies us that we meet all requirements and no amendments are required at this time.
